WHO IS RECON?

Recon Security Limited (Recon) is a comprehensive security and investigative company, with leading edge technology, quality assured systems and professionally trained staff. Recon provides services to retail, government and commercial sectors throughout the greater Wellington region and New Zealand.

WHY CHOOSE RECON?

- You deal with a New Zealand owned business, which invests in their staff, develops new products and keeps profits in New Zealand.
- You will get a one stop shop, installing servicing alarms and cameras, monitoring and guard services, making it cheaper and easier to get what you want.
- Recon's 24hr Wellington based communication centre is in direct contact with patrols in the field and can get the closest patrol to any callout/activation promptly.
- At Recon, you can get hold of the people you need to speak to and you will be informed and kept up-to-date on all situations.
- Recon has over 20 years experience in Retail Security.

HOW DO YOU KNOW YOU CAN RELY ON RECON?

Recon has been operating successfully for over 20 years and is the largest privately owned security company in Wellington. Recon employs 150 personnel and has more than 10 response vehicles on the road. In addition, Recon is licensed by the Ministry of Justice as Security Guards and Private Investigators and all staff hold individual licenses.

HOW EASY IS IT TO CHANGE TO RECON?

- 1) Call Peter Jones, phone: 04 974 5405
- 2) A security consultant will visit you at your property and discuss your particular security needs.
- 3) Recon will manage the change seamlessly behind the scenes.
